

## DAMAGES AGAINST RY.

## DEMANDED BY SEVENTH STREET RESIDENTS.

A Batch of Local Improvements Go Through—Alderman McLeod's Resignation Accepted.

The Mayor called the Council to order at 8.30 p.m. Present, the Mayor, Aldermen May, Clark, Fraser, Griesbach, Picard and Bellamy. The minutes of the last meeting were read and confirmed.

An application was received from Revillon Bros. asking that a cement walk of standard width south from Jasper avenue on second street along their property to the top of the hill. On motion of Aldermen Clark and May the request was granted.

A communication was received from the board of trade of Cardston expressing thanks to the city of Edmonton for the courtesy extended to the president of the Cardston board of trade during the inauguration ceremony.

An opinion was read from the city solicitor to the effect that the consent of the city could be freely given to the application of the A. McDonald Company to build a switch from the C.N.R. station. He thought the railway company before constructing the line would require, by the railway act of 1903, the consent of the board of railway commissioners.

A communication was also read from the city solicitor respecting the claim of Michael Gowda for damages on account of the C.N.R. running along Seventh street east, in front of his property. The solicitor expressed the opinion that Michael Gowda had no claim against the city but might have some claim against the Railway Co. Mr. J. E. Walbridge, speaking for several residents on Seventh Street, stated that he was of the opinion that when the city gave its consent to the railway using that street that the city assumed the liability and his clients wished the city to compensate them for damages done to their property and in case the city refused action would be entered against the city to recover the same. He claimed that the property on Seventh street was very much injured by the construction of the railroad on that street. He thought the city should consider the claim and endeavor to settle it. He thought these people would be willing to sell their property to the city. In many cases leaving houses on this street and a few owners were being sacrificed for the general benefit of the city.

The city solicitor said Mr. Walbridge had called his attention to a provision in the old municipal ordinance which was in force at the time the concession was granted to the C.N.R. and he wished to further consider the matter. On motion the solicitor's opinion was referred back to his own request for further consideration. The matter was then left over until next meeting when the city solicitor will report again upon the legal aspect of the case. A number of the interested property owners were present.

The commissioners reported upon the waterworks question. They expressed their opinion that in the future other sources of supply for water for domestic use will have to be secured so that for the present they recommended the placing of a second pump in the power house at a cost of \$11,000 as an alternate pump in case of accident to the present pump.

Alderman Griesbach opposed this plan as he said that what was wanted was more pressure so that six hoses could be used in case of fire instead of about three hoses as at present. Alderman Clark said that when Alderman Griesbach wanted would require the reconstruction of our whole water works system, but that if the fire brigade was taking water from a larger main they could use more hose, but if the main was small they could not use more than three. The engineer said he would further investigate the matter and probably the system would require an extra intake pipe to supply water enough for six hoses. Alderman Fraser said he would not vote for the placing of a pump on the floor. It should be put down in the basement. He thought the result as the fire was great.

It was moved by Alderman Clark and May that the Engineer's report be adopted, they expressing the opinion that the recommendations of the engineer should be adopted as he was employed for that purpose. Alderman Fraser said he would support the motion as we employed the engineer for that purpose. The motion was put and carried by votes of Aldermen Clark, May and Picard. Alderman Fraser and Griesbach voting against. It was moved by Clark and Fraser

## SHOOTING ACCIDENT

## BOY INJURED BY COMPANION

Donald McLeod, Aged Thirteen, Accidentally Shot by Myron Dunn While Out Rabbit Shooting.

Donald McLeod, son of Mr. Murdoch McLeod, of Seventh street east, and Myron Dunn, of Twelfth street east of Kinistone, planned a rabbit shooting trip and left their homes this morning filled with delight at the prospect of a pleasant day in the scrub. Their shooting was not very successful and at noon they set down to eat their lunch side by side on a log on the sand bar east of Fraser's mill. McLeod had a muzzle-loading shot gun and Dunn a 22 rifle. Dunn laid the rifle across his knees. In some unaccountable manner it went off, the bullet entering McLeod's head just over the eye. Alarmed at his companion's fall Dunn hastily gave the alarm and Dr. Park was telephoned for. He, seeing the serious nature of the wound, took the boy to the public hospital. Dr. Ferris, the family doctor, was called, and the doctors had a consultation. Dr. Ferris refused to give any opinion, but it was learned that the boy will lose the sight of his right eye and it is quite possible that the wound may result very seriously.

At 4 p.m. McLeod was conscious and resting easily. The doctors will operate tomorrow and there is a good chance of saving the boy's life.

## Damages Against Railway

That the request of the A. McDonald company to construct a switch be granted subject to the company securing the consent of the property owners and subject to the city by-laws to be passed regulating the same. Incidentally the Mayor stated that he was in receipt of a communication from Mr. Morse of the G.T.P. to the effect that he hoped the city would protect the interests of the G.T.P. in granting switch privileges from the C.N.R. south.

It was moved in amendment by Picard and Griesbach that the consent of the property owners be secured first before consent to construct the switch be granted. The amendment was declared lost, only the majority and a second voting for it. The motion was carried.

The commissioners reported that a new fire team had been purchased at a cost of \$323 including expenses, and Ed. Carter had been appointed teamster at a salary of \$50 per month to be increased \$5 per month at the end of each year to reach \$55 per month. It was also recommended that ten days holidays with pay be allowed each permanent employee of the city each year who had been in the service of the city for one year. The report was adopted.

A report was also presented recommending the passing of a by-law to prevent transients from passing over the paved crossings in the city, one of the new concrete crossings having been already damaged by a traction engine crossing it. The report was adopted.

The commissioners reported an amendment to the tariff of water rates to large consumers to meet the request of the C.N.R. as follows: From 100,000 to 200,000 cubic feet 8c per 100 cubic feet, with minimum charge of \$30 per quarter; from 200,000 to 300,000 cubic feet 7c per 100 cubic feet, with minimum charge of \$30 per quarter; from 300,000 cubic feet or over 6c with minimum charge of \$210.

This would give the C.N.R. a rate of 6c, this might mean a slight loss at present but with greater consumption it would speedily become profitable. The recommendation was adopted by the council.

The commissioners presented a report on the grading of Fourth street down the hill from McKay avenue. The engineer showed a plan by which for two different grades at the resultative costs of \$750 and \$1250 could be made.

Moved by Alderman Griesbach and Picard that the report be referred back and that the proposed plans be presented to the property holders on this part of that street and that they be informed of the cost of the work and be requested for a proper petition for this improvement. The motion was carried.

The city solicitor expressed the opinion that the objection tabled by Donald Ross to the grading of the street between the Bellamy hotel and the Edmonton hotel should be legally overruled. It was moved by Clark and Picard that the matter be referred to the commissioners and the request to see Donald Ross and try to make an arrangement with him by which work can be done satisfactorily. The motion was lost and the matter dropped.

Continued on Page Eight.

## THROWN FROM CAR

## AND DIED FROM INJURIES

Winnipeg Street Car Conductor Thrown Off by Motorman and Dies in Hospital.

Winnipeg, Sept. 16.—A motorman Chas. Thompson threw Conductor Arthur Wadham off a Broadway car last night while it was travelling at a fair rate of speed. The conductor's skull was fractured and he died this morning. The motorman is now under arrest. He says Wadham was drunk and riding in his vestibule and was not the proper conductor of the car.

**FATAL NEBRASKA TORNADO**  
Omaha, Neb., Sept. 16.—In a tornado at Burwell, Neb., one person was killed, six injured and damage to the extent of \$50,000 done. In Omaha and Council Bluffs basements were flooded. All the lower part of Council Bluffs is under several feet of water.

**NEW COMMISSIONER**  
Ottawa, Sept. 15.—Tomorrow's issue of the Canada Gazette will have the following announcements: Frederick White, Ottawa, Ont., to be Commissioner of the North West Territories to administer the Government of the said Territories under the Northwest Territories Amendment Act of 1905.

**NEW G.T.P. HOTEL**  
Ottawa, Sept. 15.—Plans have been prepared for a magnificent hotel to be erected here by the G.T.P. Railway. The hotel will be constructed on the site of the present central station and will be both station and hotel combined. The building will be of magnificent proportions and will extend over the canal by means of great arches.

**KICKERS WILL CONVINCE**  
Winnipeg, Sept. 16.—No committee has been struck here to form a "third party" as yet and the third party men say that it will not likely be done for some time as the independent are going to hold a Dominion convention at Toronto shortly with delegates in attendance from all over Canada, when Hon. Mr. Martin will finish his series of proselyting speeches.

**CIVIL SERVICE EXAMS**  
Ottawa, Sept. 15.—November 14 has been selected as the date for holding the civil service examinations at Ottawa, Charlottetown, St. John, Halifax, Quebec, Montreal, Kingston, Toronto, Hamilton, London, Winnipeg, Calgary, Vancouver and Victoria. A session will also be held on the same day and at the same hour at Port Arthur, Sault Ste. Marie, Regina, Nelson and Prince Albert providing that the number of persons applying to write at these centres is sufficient to justify the holding of an examination.

**A FATAL STAMPEDE**  
Avon, Conn., Sept. 16.—The explosion of a fuse, followed by fire in a building of the Climax Fuse Co. caused a panic among the twenty employees in the building and resulted in the death of seven persons and injuries that will prove fatal to two others. The town having no fire department there was no way of coping with the flames, which spread rapidly and in less than an hour after the explosion those who were unable to escape were burned to a crisp. A great crowd collected and saw the bodies of men and women roasting, but were powerless to check the flames.

## CANDY

We carry a well assorted line of Lowmy's Famous Chocolates. Very frequent shipments keep our stocks always fresh. Careful attention in our store accounts for the perfect condition of all candy you buy here.

## AN EASTERN MISTAKE

An Ontario weekly certainly goes the limit in seeking a pretext to criticize the Federal Government when it says:

"There is some reason to question the wisdom of the Government's policy in making it so easy to secure the rich homesteads of the West, at least from the standpoint of the older provinces. Practically free land means rapid settling and equally rapid development of the various industrial concerns upon which the public are dependent and all together mean a great rush of people by which the other provinces suffer a continual drain from their population, resulting in a loss to business men in two important particulars, the restriction of local trade on account of the population being kept down and the utter demoralizing of the labor market. Every business man depending on paid help is forced, either to pay more than his industry can afford or put up with inferior hands and face the prospect of his most efficient servants leaving him at any time for the tempting opportunities of the West.

"Could not the Government collect enough from sale of lands to pay for the development of the new territory and at the same time make the prosperous conditions more nearly equal for all the provinces without making it unduly hard for the new settler."

The cool proposal that the people of the Eastern provinces be partially restricted from coming where their labors promise more abundant reward is certainly charitable. The above journal is much concerned lest the Ontario business man lose his "most efficient servants" but less interested in the fate of those servants. The West is being peopled and being made by those "efficient servants" who have chosen to be the servants of themselves rather than of others. What ground of moral right can be found for the proposal to raise barriers before the ambition and enterprise of these "efficient servants?"

The error into which many Eastern people fall is that of thinking that the progress of the West means the demoralization of the East. The time is not so far distant when the business men of Ontario did not want or need "servants." The labor market was glutted and business stagnant. It has been in a large measure due to the immigration of these "servants" and to the consequent increase of the population and purchasing power of the West that the wheels of Ontario factories have been made to hum and that Ontario business men have found that they needed more "servants" to meet the demands of their customers. The number of "servants" employed by Ontario business men has not been decreased but multiplied by the development of the West. Thing business men cannot secure employees to meet their requirements indicates a much healthier condition of affairs all around than that employees cannot find remunerative labor.

The proposal that the Government should sell North West lands as a means of providing funds for immigration purposes is quite in line with the proposal that the Crown lands be handed over to the provinces to be sold as a means of producing revenue for public purposes. There are circumstances under which giving is getting and giving away North West lands to homesteaders is giving something of little national value in exchange for the most valuable of national assets—population. The West had an experience of the policy of give nothing—get no one, but the period was one of depression from the Atlantic to the Pacific which no part of the Dominion should wish to have reinstated.

## The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if its in good condition. It will move 3,558 miles in a year and requires less than one tenth of a drop of oil to make it run. But it needs that little body. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay you and satisfy you.

A. BRUCE POWLEY,  
Jeweller.

Near the P.O., Edmonton.

## FISHING TUG FIRED ON BY CANADIAN LAKE CRUISER

American Tug Struck Twice While  
Eluding Pursuit of Fisheries  
Cruiser.

Erie, P.A., Sept. 15.—While fishing near the boundary line in Lake Erie the fishing tug William J. McCarver was struck twice by shots from the Canadian cruiser Vigilant in the efforts of the Canadians to compel the tug to stop and surrender. Captain and crew on the tug determined to escape and made the run home in a damaged boat.

### VEGREVILLE NEWS

Vegreville, Sept. 12.—Last Wednesday evening was an eventful one in Vegreville, occasioned by the fact that it was the night of the "Bachelor's Annual Duck Supper" prepared largely under the excellent management of Mr. and Mrs. F. Morrison and a few other friends. Altogether about thirty ducks were secured for the event and these were nicely prepared by the three ladies in charge, and all present did ample justice to his "ducky." To add to the pleasure of the beautiful repast the ladies had very artistically decorated the tables with fresh flowers composed of sweet peas in abundance, mignonette cosmos, Hawaiian plant, etc.

Among those present may be mentioned the following, Chas. Spence and Archie Fleming, of the Vermilion Trading Co.; Mr. Clement and wife; Geo. Cole, Chas. Williams, Jas. Williams, Mr. Fraser, Mr. Meredith, Jno. Cameron, P. Cameron, Mr. P. Moore, K.N.W.M.P., while last and not least may be mentioned A. B. Ritchie the "guest of honour" for the evening.

Mr. Ritchie has filled the office of postmaster in Vegreville now for about two years and all admit that he has filled it faithfully and well.

After all the guests present had satisfied the minor longings, speeches were made by Mr. Morrison, Mr. Clement and Mr. Meredith, to which Mr. Ritchie in very able and fitting language replied.

It was moved and seconded and carried unanimously that a "Memorial" be prepared and presented to Mr. Ritchie before leaving Vegreville to pursue his studies at Toronto University in October next.

A vote of thanks was also tendered to the ladies, and to all who had kindly aided in making the whole function a pleasurable success.

This week is also a memorable one as new life has dawned upon us owing to the advent of two well established banks, the Merchants and the Bank of Commerce opening offices in our village. This thoroughly out-embodies our previous sanguine expectations, that we would certainly become recognized as the nucleus of a very respectable town. True our town will not be in Vegreville, but four miles northwest, but this we do not complain about. Vegreville and its vicinity has been and is the greatest settlement from Lloydminster to Fort Saskatchewan, a settlement well provided with fruitful land, well peopled and well watered. The people are industrious and have confidence in their country and live and act expecting some day to see it prosper and blossom as the rose.

The teachers of the Vegreville and Vermilion school districts leave here in the near future to pursue their studies at Alberta College.

Miss Lily Dunham has secured a position as clerk in Clement's.

Grain is all cut in this vicinity and stacking will soon be the chief occupation of the Vermilion valley.

—Strathcona Plumber: The prospects now are for a good supply of water at the new power house. A well fourteen feet in diameter has been sunk to a depth of thirty-two feet and the water is coming in at a rate that prevents further digging until a good strong pump is set to work. It is the intention of Engineer McLean to have this well sunk below the river bed and he hopes to get a flow there that will supply the town with pure water as a much less cost than would be required to secure a supply from the centre of the River as was done at the Edmonton power plant. The brick work on the power house is in a fine completion. The foundation for the water tower in rear of the fire hall is about ready for the super-structure. For progress is now being made in laying water and sewer pipes along the streets but serious delays have been experienced by the non-arrival of the large size sewer pipe owing to breakdown at the factory in Vancouver.

## THE BIG STORE

Just Received a New Stock of Dr. Jaeger's

### PURE WOOL CLOTHING

For Men, Women and Children.

Having accepted the agency for this district for Dr. Jaeger's Sanitary Woolen System Co., Ltd., we can furnish you with their printed and illustrated catalogues and any goods you may desire that are described therein at the regular prices.

This should prove to be a great boon to the citizens of Edmonton and surrounding country, as it is a well known fact that "The Jaeger Pure Wool Wear" is the best that's manufactured.

See our corner window for samples of some of the lines we carry; call and examine the goods and ask for the illustrated catalogue with price list.

There is nothing so good to buy and so conducive to good health and comfort, as the pure wool UNDERCLOTHING, HOSIERY, GLOVES, SHOES, in fact any article of clothing for men, women and children, as that manufactured by the Dr. Jaeger Sanitary Woolen System Co., Ltd.

We feel sure it will be time pleasantly and profitably spent by you, when you look over our Large Stock of

## Ross Bros Limited

### The Gillette Razor

To men who are accustomed to shave themselves, we would recommend the little over-ready Gillette Razor. While this is one of what is generally called

## Safety Razors

It is entirely different from the ordinary Safety, for with the Gillette you have no honing or stropping to do, as the Razor is always ready for use. The blade that is in the Razor when you buy it is good for not less than ten shaves, and to a man who has an ordinary delicate, or fine beard it will shave thirty times without stropping; then you simply remove that blade and put in a new one, or in other words, throw the old blade away, not trying to renew its edge, but put in a new blade, thus you start again with a new Razor. Twelve blades go with each Razor, and these twelve blades are good for not less than 120 shaves without stropping. The Razor is always ready. Then when the blades become dull, and you throw them away, you buy a new set of blades for \$1.00, which means again not less than 120 shaves. No matter if you are on the road or in a jolting conveyance of any kind, the Razor is always ready for use. You cannot cut yourself if you try.

We are the only people in this northern country who have these Razors, and as we have seen them work and know their capabilities we can recommend them without the slightest hesitation.

## REGINA CELEBRATION

(Prince Albert Advocate)

There was a great deal of indignation felt by the visitors to Regina on the occasion of the Inauguration Ceremonies last Monday. Thousands of people came from long distances at considerable personal expense and thereby helped to give credit to the proceedings. Regina had been given \$8,000 by the Territorial Government to assist it in making a display, and in attracting and entertaining visitors, without whose presence the ceremonial would have been exceedingly tame indeed. The great central event was the "swearing-in" of the Lieutenant-Governor to witness which it was reasonable to expect the public would be freely admitted. Yet they were charged fifty cents apiece for the privilege of getting near enough to witness the proceedings. The management of the celebration was exceedingly bad. The parade in front of the grand stand whereon stood their excellencies and other distinguished guests and visitors, was very poor and meagre, so much so that it would not have been creditable to the smallest village in the province; so much so that the committee actually had the hardihood to piece out the beggarly array by letting the Photo Circus people join in it with their regular advertising street parade of monkeys, clowns, camels, etc. etc! Just think of inviting Lord and Lady Grey and the Premier of the Dominion to say nothing of less distinguished visitors to travel thousands of miles to witness a Yankee circus parade! At first the spectators thought the circus people were just "batting in" behind the civic parade, and that they would be stopped before reaching the grand stand. Not a bit of it. It was part of the program. We even find the Regina Standard cataloguing the animals, wild and otherwise, and the other features of the circus as a part of the grand civic parade which Vice-Royalty itself was invited to witness!

Then again, many who paid their fifty cents to get within hearing of the "swearing-in" ceremony, were induced to do so by the expectation of hearing Sir Wilfrid Laurier speak. Yet through the bungling arrangement of the program and the way it was carried out, no time was given for this, and when the crowd at last called loudly for the Premier, he responded in a few words in which he explained that this was not a feature of the arranged program. We do not wish to accuse the committee, of which Mr. Mayor Laird, the prospective Tory candidate for Regina and Mr. Haultain were the active working members, of a studied intention to prevent the people hearing Sir Wilfrid. We prefer to class it with the other bungling of that committee, and that too little time was allotted to the inauguration ceremonies. But one wonders why the Premier was invited at all if it were only to show himself on the platform and witness the "wild beasts" and the painted ladies of the Photo Circus!

And Regina is the city that has capital ambitions. As one visitor observed, if the location of the capital were left to the visitors at Regina on September 14th, her chances would be small indeed.

## LOCAL

Nominations take place at Fort Saskatchewan today to fill a vacancy in the council.

Fort Saskatchewan rate-payers vote on October 6th on by-laws to raise \$7,000 for fire appliances and \$8,000 to build a combined fire and town hall.

The Financial district Meeting of the Methodist church of Wetaskiwin District met on Tuesday and Wednesday of last week, at Leduc. There were eleven ministers and three laymen present. These were kindly entertained by the residents of Leduc. The Methodist choir ably assisted in the evening sessions, besides the two business sessions in which the general business of the district was well looked into, there were two evening sessions and a convention.

Strathcona Plaindealer: The circus people were informed by the populace of Red Deer that there was four inches of snow at Strathcona and considered the matter of cancelling their engagement on that account. Doubtless our people would have been money in pocket by such cancellation but the fact remains that not only Calgary but Red Deer the other aspirant for the capital are doing all in

their power to frost the north country. Such arguments are constantly used to dissuade intending settlers from coming into the garden of Alberta, along the Saskatchewan Valley.

## TENDERS

For the purchase of the following portions of the Estate of the late W. H. Hooper, and of S. H. Smith will be received at the Bank of Montreal, Edmonton, by E. C. Pardee, Esq., Manager of the Royal Trust Company, Administrators of the estate of the said W. H. Hooper, 21 to 2000, Oct. 3rd, 1905, No. 1, Lots 19 and 20, Block 1, River lot 10, Edmonton. This is on the corner of Queen's avenue and Elizabeth street, opposite the market square, and on it are two dwelling houses, and coal sheds in rear.

Tenders are requested to tender as follows:

A. For land with coal sheds, but without dwellings.

B. For dwellings alone (to be moved).

C. For the property as a whole. No. 2. The building known as the Capital Restaurant, on south side of the market square, together with fixtures, and the lease of the lots on which it stands; said lease expiring 2nd January, 1906.

Tenders must be accompanied by a marked cheque for ten per cent of the purchase price, balance to be paid in thirty days. The highest, or any tender not necessarily accepted.

For further particulars, apply to S. H. Smith, Esq., on Messrs. Brown Dawson, Kennedy & Hyndman, Solicitors for Royal Trust Company, Sept 16, 23, 30, etc.

## The Only One

Fit-Reform has no interest in — or connection with — any other business.

There is only ONE Fit-Reform Wardrobe in each city throughout Canada.

Be sure you are in the right place — and look for the Fit-Reform label on every garment you buy.

Suits and Overcoats.....\$12. to \$30.  
Trousers.....\$3.50 to \$7.50

This trademark identifies every genuine Fit-Reform garment.

Look for label with trademark and price as fixed by makers.

The only Fit-Reform Wardrobe here is at  
J. H. Morris & Co., Edmonton.

I have studied the making of cigars all my life and I know just what style of rolling makes the best smoke.

I have taken the young men of Granby and taught them to make cigars my way—and I watch them to see that each cigar is made that way. If I made every one of my Pharaoh cigars myself they couldn't be more carefully or more perfectly made.

The result is that my

## Pharaoh Cigar

is not rolled so tight that it draws hard or so loose that it burns badly—just the right amount of filler, properly held by the binder, and finished with the wrapper so it smokes freely and burns evenly.

The test of a cigar is the smoking of it, and I am sure after trying my cigar you will agree with me that it is an excellent smoke.

Every genuine "Pharaoh" cigar is branded "Pharo."

## LOCAL

—Dr. R. H. Till went south on this morning's train for a couple of days' shooting.

—A runaway horse went up Jasper avenue this morning with harness and a white horse.

—Excavation has begun for a large brick residence to be erected by H. Bown on Eighth street.

—Constable Rowley of the city police force shot a large sized lynx this morning within the city limits north of the C.N.R. station.

—The members of the Saturday Night Club are requested to meet for a short time in Alberta College to-night at 8 o'clock. The question of the work for the fall and winter will be discussed.

—The work of boulevarding and grading Fifth street from Victoria avenue south is well under way. Applications for similar work on other residential streets were received by the city council last evening, and the probabilities are that Edmonton's principal residential streets will soon all be boulevarded, which will add greatly to the attractiveness of the city.

—Montreal Herald: Captain DeBlois, Thibaudan of the Montreal staff of the Manufacturers' Life Insurance Co. has just been appointed manager of the agency to be opened at Edmonton, Alberta, and leaves in a few days for his new field. Mr. DeBlois Thibaudan is well known in business circles in Montreal, having been for years connected with the well known firm of assignees, Messrs. Kent and Turcotte before entering the life insurance field. He is also well known in social and military circles, being the son of Senator J. H. Thibaudan, Sheriff of Montreal and having for years held a commission in the 68th Regiment, Mount Royal Rifles. In politics like all his family, Mr. Thibaudan is a staunch Liberal, and as a member of the Montreal Reform Club for years has helped in the organization of elections in the district of Montreal. Capt. Thibaudan is no stranger to the far west, having lived at Edmonton for a year about 1894. He and Mrs. Thibaudan leave early next week to take up their residence at the new capital of Alberta.

## PERSONAL

—O. M. Plagar leaves early next week on a trip to Toronto.

—Messrs. E. Tessier and A. Dechenne returned from Banff last evening.

—Mrs. J. Chender and her little son returned from Calgary Thursday evening.

—Sergeant Sweetapple of the N.W.M.P., Calgary, arrived in the city last evening.

—Miss Ross returned from Nelson, B. C., where she has been visiting her sister Mrs. S. S. Taylor.

## MAKING A TOUR OF WEST

Mr. Cawthra Mulock, of Toronto, Mr. Hancy, the contractor who built the Crow's Nest Pass Railway, and Mr. Walsh, of the Montreal Herald, were in the city yesterday. They are making a tour of western Canada, in the private car "Olivette" and arrived in Strathcona yesterday afternoon train. They were driven about the city by Mr. Turnbull, of the Bank of Commerce, and were delighted with the appearance of Edmonton.

They left this morning for the south intending to visit Lethbridge and Melfort, after which they will go through the Crow's Nest Pass and will finally spend a while at the coast.

## Damages Against Railway

Continued From Page One.

The question of opening Boundary avenue had to stand over on account of the absence from the city of the members of the syndicate owning the boulevard.

The special committee appointed to report upon the proposition of the gas company recommended that the city advance the company \$250 per foot for drilling the well below 1000 feet provided that if gas was struck the city would have the right to take over the well and franchise at actual cost to company to date. Mr. Beck, for the company, stated that such a proposition would not be accepted. The report was received and filed.

Reports were adopted providing for a six foot plank sidewalk on the south side of Mary street from First street to Queen's avenue, a six-foot plank walk on the north side of Rice street from First street to McDougall street, the grading of Rice street from First street to Fraser avenue.

Reports were adopted for a six-foot plank sidewalk on west side of Twelfth street from Victoria to Hardisty avenue; a six foot plank walk on the south side of Boyle street from Kintworth to Boundary avenues; a four foot plank sidewalk on the east side of Eleventh street from Saskatchewan to Hardisty avenue and thence on the north side of Tenth street; for the grading and boulevarding on Fifth street between Victoria avenue and the top of the hill south of McKay avenue; for a six foot plank walk on the west side of eighth street from Jasper to Athabasca avenues; for a six foot plank walk on the west side of eighth street from Jasper to Victoria avenue; for water and sewer connection on Fraser avenue from Third street to Fourth street; water and sewer extension on Seventh street from Victoria avenue to north line lot 54; and water and sewer on Twelfth street from Victoria to Hardisty and on Victoria avenue from Eleventh to Twelfth streets, and on Hardisty avenue from Eleventh to Twelfth streets provided a few more necessary signatures be secured.

It was moved by Aldermen Clark and Picard that MacKenzie avenue be brushed out and a fire break plowed along the same along the C.N.R. tracks.

On motion the following accounts were ordered to be paid when properly certified to:

Labor pay sheets, wages	2207.50
St. Geo. Jewett, Insurance	9.00
Union Bank, guarantee interest	189.05
W. G. Thompson, duty, etc.	19.50
M. Gowat, pay	14.14
Benard Ross, transfer of land	1.00
C. E. R. Telegraph Co.	32.03
Journal, advertising	10.50
Dr. J. L. Tullock, disinfecting	2.00
Alberta Livery Co.	3.50
A. L. Varcoe, blacksmithing	14.35
Western Printing Co.	16.50
Fire Brigade, practice	13.20
H. W. H. Douglas, stationery	47.60
W. Barnhouse, duty	35
R. Magnus, meter inspection	29.75
Alberta Electric Co., supplies	31.14
Town of Strathcona, electric light	1.90
W. G. Libbottson, duty, etc.	41.00
Total	\$3830.62

A bylaw was passed closing the lanes on the Jasper avenue extension.

A bylaw was passed amending the bylaw respecting streets, requiring that traction engines before crossing paved crossings must notify one of the city police so that planks can be laid to save the cement crossing.

A bylaw was read a first time providing for a license fee for itinerant photographers who operate in a tent or otherwise. The matter was laid over for another meeting.

The question of Ald. McLeod's resignation came up and on motion of Alderman Clark and Picard the resignation of Alderman McLeod was accepted.

The commissioners were instructed to purchase hay and oats for the Fire Department horses by tender.

The city solicitor gave a written opinion upon the street railway matter, but it was not made public. As the opinion was a lengthy document it was decided to lay it over until the next meeting that the aldermen might give it their individual attention in the meantime. The council adjourned.

## NOTICE

LIQUOR LICENSE ORDINANCE  
PROVINCE OF ALBERTA

Application has been made by Alexander W. Cameron of Edmonton, Alberta, for a hotel license in respect of a hotel situated on lot 191, in block 1, in the Hudson's Bay Reserves, Edmonton.

This application will be considered by the Board of License Commissioners at Edmonton on Wednesday, the 14th day of October, 1905 at 3 o'clock p.m.
